Tour Itinerary

1 : Keep your eyes:

Out for an array of Seabirds, Port Phillip Bay attracts a wide variety of migrating and resident seabirds, showcasing their amazing abilities of diving and fishing.

2 : Grab:

A cuppa from the onboard cafe and relax in one of the seating areas or take a Titanic style photo on the bow of the boat with your loved ones!

3 : Don'd forget to bring:

- Hat and Sunglasses

- Remember a warm jacket, although it can be hot on the land out at sea we experience a cool sea breeze
- Some extra money or credit card just incase you need anything on the boat.

****Please note this is not a specific dolphin sightsee tour, although we search for dolphins and love to stop and see them, we visit a variety of locations to view a wide variety of scenery and wildlife****
