Tour Itinerary

1 : Start:

6pm start. We start at Lark Cellar Door and Distillery, 14 Davey Street - meet at table near the bar, we leave together in the bus shortly after.

9.30pm finish at the final Brewery in North Hobart. From here we can take you back to your Hotel, into town or possibly even back to your home.

Price:

Public Tour: \$135 per person

\$80 per person concession (see below for details)

Private Tour: Varies, for between 4 and 11 people, we can tailor brewery visits for an evening or daytime tour.

Leaving aside the multitude of fine establishments that offer locally produced drinks for your drinking pleasure and SEEP (social engagement enhancement protocols), there is also a dynamic layer of producers in Hobart itself, bringing joy to the locals as well as sending their liquid gold out like medallioned emissaries around the world to hedonists, connoisseurs and scoundrels alike.

Join us (most) Thursday and Saturday evenings for a liquid degustation that includes visiting four of the following breweries:

- Hobart Brewing Company
- Shambles Brewery
- Fox Friday Craft Brewery
- The Albert Brewery and Taproom
- Winston Brewing Company
- T Bone Brewing Company
- Deep South Brewing Company

We start the tour with a half shot of whisky at Lark Cellar Door and Whisky Bar where we set the scene for the evening and the breweries we visit together. This is our orientation, and how we get through the night safely.

2 : Flagship

You are given the opportunity to taste flagship, seasonal and local favourites on this tour. Have a great time without the hassles of transportation between breweries.

Your taste buds will thank you.

A note on the prices: **Concession price** is a reduced rate that includes drinks at only one venue. Other venues you can still taste and try for free and then decide if you would like to purchase any beer/s. Tasting paddles are common at Craft Breweries, so four small glasses allows great opportunities to test and try. You still get all the benefits of introductions, welcomes, information, laughter, connection and of course transport.

3 : Taste. Learn. Meet. Enjoy.

Tasmania is a-wash with funky fermenting, distilling and brewing creativity, and now you can join an evening guided tour that will showcase some of the best of them, and visit four Hobart Craft Breweries in a fun, safe and delicious way.
