Tour Itinerary

Morning Tea : Our original Stanthorpe winery tour...

Morning Tea

Our first break on the tour will be for morning tea at the Weeping Mulberry. Sit back and relax in one of their cosy and delightful private rooms. Coffee, potted tea and pastries are on offer.

Take some time to wander through the intimate spaces and discover new ideas for your home and garden

1 : Kominos Winery

Next we come to the first winery of our journey, Kominos Winery. Tony and Anna, owners and wine makers will guide you through their wine offerings with a private presentation.

With over thirty years of experience Tony has a vast knowledge of his craft. Listen to his stories as he brings his wine to life, the bouquet, taste and finally the savouring of his favourite drops. You will leave this winery with a greater understanding of the life of the vines.

2 : Ballandean Estate

On to the oldest winery in the Granite Belt, Ballandean Estate. Established in 1932, five generations of the Puglisi family have made the business what it is today. Our wine tasting will take place in a private room with a selection of seven wines and a cheese board to match. After the tasting, a picnic basket is provided filled with fresh local seasonal produce.

Wander out to the vineyard where you can settle in amongst the vines for a leisurely lunch. Take in the fresh country air as you sip one of Ballandean Estate's fine wines that are provided with your exquisite picnic lunch.

3 : Symphony Hills

The third winery on our tour is Symphony Hills. The barrel room here is certainly a great environment to savour the wine, fairy lights provide a whimsical feel and soft music is played as you begin an incredible journey of exploring the wine.

Opening a bottle of something special for our guests to try, which is not available to the general public, is a wonderful experience to offer as well.

4 : Summit Estate

Last but certainly not least, you are welcomed into a private presentation area at Summit Estate Winery for a personalised wine education session, our final stop on our tour. With this intimate winery experience you will have an opportunity to identify the aromas and flavours that are found in Summit Estate wines.

At the end of the tasting, adjourn to the terrace overlooking the vineyard, and share a freshly prepared cheese board with wine and reminisce about the day. As we head home, relax in our beautiful vehicle and perhaps sip some of the wine you have purchased along the way.
