On this small, intimate, 90-minute tour, your conservationist guide will give you exclusive insights into the lives of some of the more elusive

and rarely seen animals who call the Otways home, plus spectacular sunset photo opportunities.

The tour winds along a gentle, 1.4km path suitable for all ages and abilities.

It is an intimate tour and is recommended for participants aged 10 and up.

The experience includes a light meal with a beer or wine. (n.b. our kitchen team will need 48hrs to cater for any specific dietary requirements).
